

Dear Friend of The New York City Fire Museum,

I am writing on behalf of **The New York City Fire Museum** to ask for your help and support on an upcoming important event. On **June 23, 2022** we will be holding our 2022 Golf Outing at **The Muttontown Club** to benefit the New York City Fire Museum.

I would like to invite you to support our cause by donating an item for our **Raffle** you feel is appropriate for this event. A suggested minimum value of \$50 will be gladly accepted. Beyond the benefits listed in the enclosed material, sponsoring this event is a great way for you to partner with a rewarding organization. Like all NYC cultural institutions, the Museum has been severely impacted by the pandemic in terms of significant decreases in revenue related to fewer visitors, lower gift shop sales, and a decrease in other income sources. We need your support now more than ever for this year's signature fundraiser!

The New York City Fire Museum's roots date back to 1870 when it was established in the headquarters of the Fire Commissioners at 155 Mercer Street. The mission of the New York City Fire Museum is to collect, preserve and present the history and cultural heritage of the fire service of New York and to provide fire prevention and safety education to the public, especially children. I hope you will consider contributing to our Raffle for this year's event. Your support for our community is greatly appreciated!

With warmest regards,

Jennifer Brown, Executive Director
