

Dear Friend of The New York City Fire Museum,

I am writing on behalf of The New York City Fire Museum to ask for your help and support on an upcoming important event. On June 24, 2021, we will be holding a Golf Outing at The Muttontown Club to benefit the New York City Fire Museum.

We would like to invite you to support our cause by becoming a **Sponsor** for this event. Our sponsorship program offers a wide range of opportunities for you to contribute to organizations such as The New York City Fire Museum. Beyond the benefits listed in the enclosed material sponsoring this event is a way for you to partner with a worthwhile cultural and educational, non-profit organization. For **more information**, please view our website: <https://www.nycfiremuseum.org/golfouting>

The New York City Fire Museum's roots date back to 1870 when it was established in the headquarters of the Fire Commissioners at 155 Mercer Street. The mission of the New York City Fire Museum is to collect, preserve and present the history and cultural heritage of the fire service of New York and to provide fire prevention and safety education to the public, especially children.

We look forward to your participation in this year's event and helping us to preserve this great piece of history.

With warmest regards,

Gary R. Urbanowicz, Executive Director
